#### Choice of Benefits and Monthly Amount

The initial payment must be made within 45 days from the date you elect COBRA Coverage (the application date). The initial payment covers the number of months from the date coverage would otherwise have terminated, including the month in which the initial payment is made. Thereafter, payments must be made monthly to continue coverage. Bills are mailed in the first week of the month for the following month’s coverage. Payment is due, in full, upon receipt of the bill but not later than 30 days from the beginning of the month to be covered. **If you fail to make the initial payment, or any subsequent monthly payment, in a timely fashion, your coverage will terminate.**

You may elect COBRA Coverage for all covered family members, or each affected family member may decide independently whether to elect COBRA Coverage, including new qualified beneficiaries added

while you are on COBRA Coverage. If you elect COBRA Coverage for yourself, you automatically elect coverage for your family members, unless you state otherwise. If you or an eligible family member do not elect COBRA Coverage in a timely manner, plan coverage will end and may not be reinstated.

If you elect COBRA Coverage, you are entitled to the coverage provided under the plan to similarly situated employees or family members. If you are enrolled in both a medical and dental/vision plan, you have the right to elect medical coverage only. However, dental/vision coverage cannot be reinstated later. In addition, life insurance benefits are not available under COBRA, and time loss benefits are not available for any disability that begins while you are covered under COBRA.

There are two options to choose from (check one only). The rates for 2021 are:
